Jarrod was great! Really professional, punctual, he explained everything clearly. We needed the work done promptly and he fitted our job into his schedule with no fuss. Really happy with work - the roof looks awesome! Highly recommended!

Jarrod organized a roof inspection within two days after my call. He checked my roof and explained explicitly with lots of details. The roof restoration service was organized in the next few weeks, with reasonable price too. My roof looks great now, fantastic experience with Home Roof Restoration.

Jarrod provided great advice after doing a roof inspection to help deal with a dodgy roof job done by another roofing company. He also fixed some leaks around the roof. Even though it was a small job he came round asap and got it sorted. Thanks Jarrod!

Absolutely great job! The roofer has extensive knowledge and explain all my concerns. Also give helpful suggestions on my other works. New roof looks fantastic on every angle, the best looking on my street. Definitely recommend to others.

Home Roof Restorations have offered excellent service in attending to my repair earlier than quoted as I had accepted a contract of sale my home. The repair needed to be done before settlement to avoid things becoming complicated. Many thanks to Jarrod for organising effective and speedy repairs to my roof. The team who did the job were courteous and informative about the work to be completed. A great outcome. Cheers.

Jarrod came across as a friendly and honest person who knew his trade very well. Came in and gave a competitive quote and was honest in his approach. Carried out the roof job to a great quality and was completed as planned out. Always responded promptly with all queries. Even clipped off some branches overhanging onto our roof. Overall, highly recommended!

Jarrod did an amazing job on our roof. We had leaks that had multiple causes, which Jarrod took the time to explain clearly, including photos. Work was completed on time to a fantastic standard, and managed during a rainy period.. Would definitely call on again if needed.

Jarrod was very responsive, timely, professional and amazing value for money. He communicated daily to keep us in the loop about when his team would be out, unheard of in today's tradie world! The quality of work done by his team was second to none. I would highly recommend Home Roof Restorations to anyone in need of no BS, timely, professional and value for money service. Thank you so much for a hassel-free experience.
